Autumn Term At Playgroup

Our Prime Areas of learning are:

Personal, Social & Emotional Development: We encourage children to play alongside others and develop friendships.

Communication and Language: We like to share stories songs & rhymes to encourage speech, and good listening.

Physical Development: We play with dough, scissors paints glue and use writing tools to develop our fine motor skills.

We eat and drink healthily.

You will receive a news-letter at the beginning of each term to keep you informed of our activities and any news that we need to share..

Throughout your time with us, we will be recording children's learning on tapestry, we welcome you to contribute to their online learning journey.

Sharing a story with your child is a very magical experience and one of the most important activities you can do with them. It helps them to develop their imagination and expands their vocabulary by listening to stories.
