There are lots of activities to choose from! These are some of the places where we can work, learn and play.

When all of the children in our class have arrived, we will tidy away and sit on the carpet. This will mean we are ready to learn lots of new things. Sometimes we will do this in small groups, sometimes altogether. After carpet time we can go and choose another activity to do.

I will make lots of new friends .....

In the morning we will have snack time. Each day there will be a different fruit or vegetable for us to have with a carton of milk.

We have our own outside area. We go out for playtimes and for learning too. There are lots of different things to do.....

**Just before lunchtime we all tidy up, wash our hands and get ourselves ready for lunch.**

**You can use these toilets....**

**I will sit with my friends and eat my lunch.**

**You collect your lunch from here.**

After lunchtime I get to learn and play some more.....

At the end of the day I get my things and get ready to go home....

School can be a very busy and tiring place but we will have lots of fun learning new things and making new friends.

**I am looking forward to being  
part of the St James's Family.  
See you soon!**
