

5th January 2021

Dear Parent/carer,

Critical care places

If you have applied for a critical care worker place and have not been contacted by school to decline the place, then your request has been granted.

Start and end times will be staggered as per last term, with staff meeting the children at the gate in the morning.

Breakfast and after school club will be available to those who have booked separately through Jan.

Please send your child in their own warm clothes and which will be suitable for P.E. as they will not be changing during the day.

Packed lunches will be available for Reception, KS1 children and those KS2 entitled to free school meals. Unfortunately, we will not be able to provide hot food.

Thank you for your continued support during these difficult times.

Yours sincerely,

L Mason

Mrs L. Mason
Headteacher
