**Audience:** School HAF Link

**Date:** 04/05/2021

## Information:

Welcome to your second HAF weekly update. Over Easter we provided 5369 pupils with HAF activities and are looking forward to increasing our reach over the summer, but we need your help to do this! Registration opened on Saturday and we already have 202 pupils registered. Every one of them accessed a provision at Easter and the feedback has been great!

If you have not already done so, please complete the short Summer Activity Provision Survey (many thanks to those who have already done this) your feedback will enable us to plan for activities that will be engaging for pupils during the summer. You will see that we have started to follow many of you on our twitter page so give us a follow and retweet to stay in touch and up to date as things progress. Finally we need your help to encourage parents to register their child(ren) as soon as possible.

**Registration:** Registration is now open! <https://holidayactivitiesindudley.com/register-your-child/>

Families must register to be able to access holiday activities in the summer. Parents / Guardians can register directly on the website from the 1<sup>st</sup> to 31<sup>st</sup> May 2021. We would kindly ask that if approached schools can offer assistance to parents to complete if they are struggling or do not have access to the internet. This is the best option as unique reference numbers will be generated to enable parents to book activities. As a last resort they can text for assistance 07828 748215

We will provide you with a list of pupils who register from your school next week so you are fully informed and can help with recruiting more families to register. We are able to take a small number of families who are not eligible for FSM but who you may think are vulnerable and would benefit from holiday activities and meals.

## Actions:

- Please follow, like and share us on the social media platforms above, to ensure your families are kept informed
- Complete the Summer Activity Provision Survey [HAF Summer Activity Offer Survey \(surveymonkey.co.uk\)](https://www.surveymonkey.co.uk) no later than 14 May 2021
- Share the communication for parents by Friday 7 May 2021 and encourage them to register their child(ren) as soon as possible (Sent under separate cover)

We will be in touch again next week with updates, in the meantime do feel free to email [nicki@dudleycvs.org.uk](mailto:nicki@dudleycvs.org.uk) with any questions you have

The HAF Team
