Dear Parents

Parent Governors Elections

We have a vacancy on the Governing Body for a Parent Governor and we are therefore seeking nominations to serve on the Governing Body. This position is for a four year term of office but should not preclude any parent whose child is due to leave the school before 2024.

To give you some idea of the role of a parent governor see the link below:

Nominations with a proposer and seconder, plus the agreement of the nominee, should be returned to school by Friday 6th November 2020.

Yours sincerely
